Surgical Best Practice Pilot

Today's Objectives:

- **Provide an update on the pilot plans**
 - ✓ Description of surgical best practices to be piloted
 - ✓ How the surgical pilot fits within existing best practices
- **Get your impressions and feedback**
- **Share the timeline**

Surgical Best Practices Pilot

BP1

- Timely Transition to Surgical Care

BP2

- Pre-Op Return to Work (RTW) Plans and Goals

BP3

- Integrated Post-Op Team Intervention
(when RTW goals are not being met)

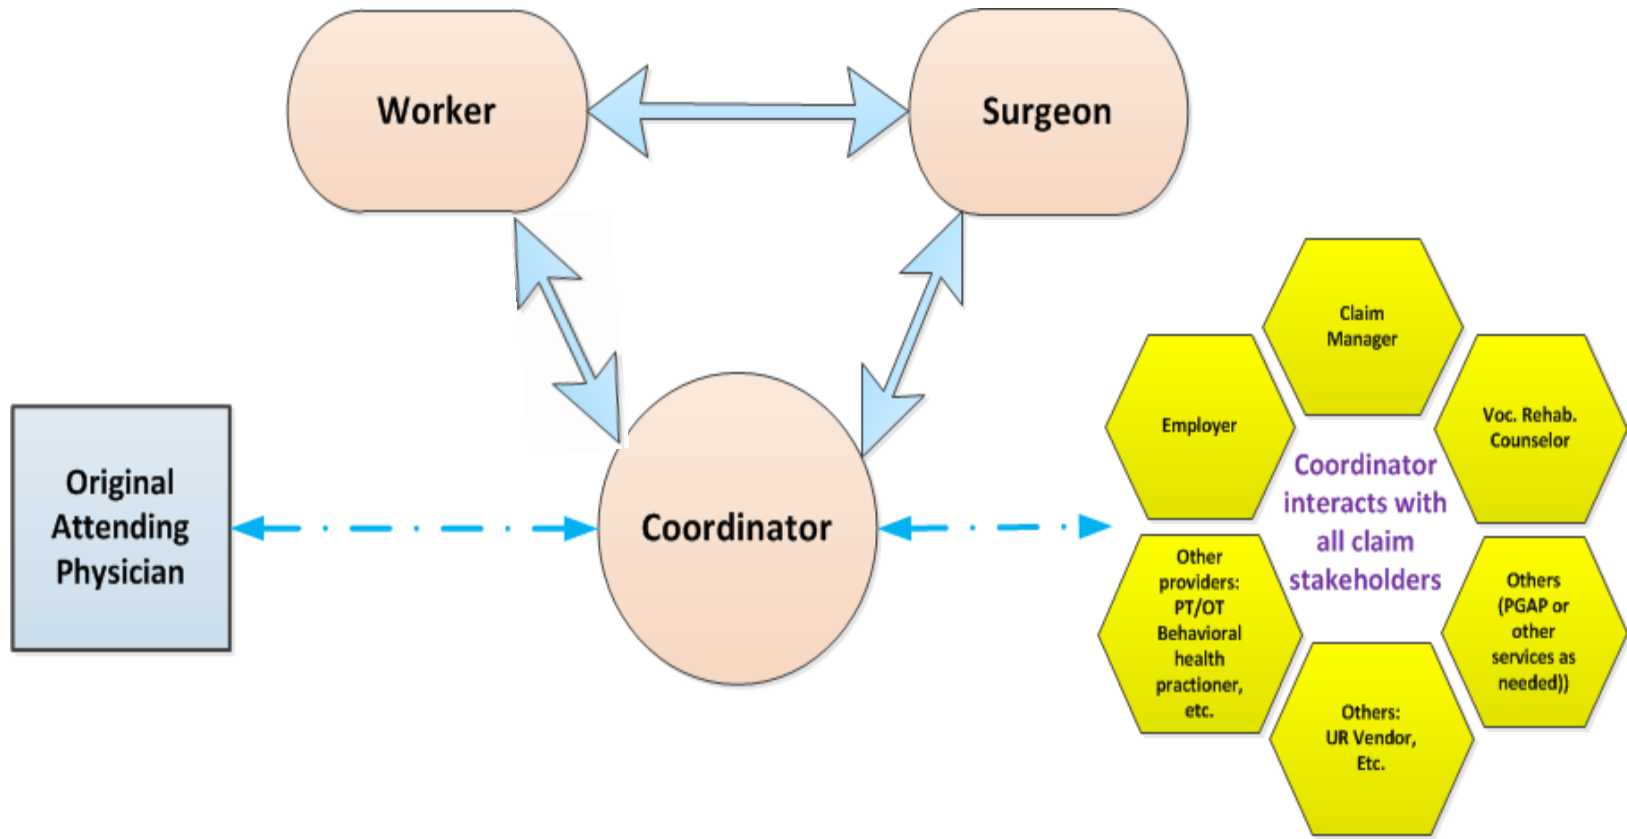

BP4

- Timely Transition to Next Step in Care
(continued rehab and/or return to originating AP as needed)

Surgical Best Practices Pilot

Coordinator's role in meeting best practices and administrative requirements

Surgical Pilot Aligned with Existing Best Practices

Designs being considered

	COHE Design	Ortho/Neuro Surgical Quality Pilot (ONSQP) Design	Combination Design
Possible Patient Population	Only patients referred from the participating COHE	Only patients referred to the participating ONSQP pilot surgeons	Combination to be defined
Possible Provider Population	<ul style="list-style-type: none">✓ Only the participating COHE providers✓ Any ONSQP surgeons✓ Any Ortho or Neuro surgeon	<ul style="list-style-type: none">✓ Only Participating ONSQP surgeons✓ Any COHE provider✓ Any network provider	Combination to be defined

Surgical Best Practices Pilot

Next Steps

January 2014 <ul style="list-style-type: none"> Analyze data related to existing best practices Obtain design feedback (internal and external stakeholders) Present to Best Practices Steering Committee: <ul style="list-style-type: none"> Design option(s) and recommendations Pilot provider feedback plan Develop Incentives 	April 2014 <ul style="list-style-type: none"> Finalize measures and evaluation plan Conduct training Implement Communication Plan Develop relationships between coordinator, surgeons and provider community Finalize pilot evaluation design
February 2014 <ul style="list-style-type: none"> Obtain design feedback (internal and external stakeholders) Finalize pilot design Finalize participating providers feedback plan Finalize incentive plan 	May 2014 GO LIVE!
March and April 2014 <ul style="list-style-type: none"> Recruit/Enroll ONSQP providers – supplemental contracts Coordinator Procurement Process (as needed, dependent upon design adopted) Finalize roll-out plan 	June 2014 Finalize pilot evaluation plan & start collecting data
	June 2016 Recommendations and Decisions
